A Neo Classical Painted Satinwood Library Bookcase

Constructed in satinwood, line inlaid, and hand decorated in polychrome; of breakfront form, rising from swept bracket feet, the lower part having four lockable cupboards, enclosing a shelved interior; the central fielded panels adorned with Grecian urns issuing springtime flowers; the outer doors painted with two ladies from the 'Cries of London' series; the upper section with four lockable glazed doors, with elliptical astragals; over, a running ogee form cornice. Circa 1890
