THUYA AND GILT BRONZE VITRINE IN THE MANNER OF HOLLAND & SONS

H: 48.5 in / 123 cm | W: 30 in / 76 cm | D: 17in / 43 cm

Rising from a rectangular stepped plinth with everted corners, in well figured Amboyna; the glazed door having bead and reel decoration. The top edge having lobed decoration, and the fire gilt bronzes show a gadroon casting to the lower section, with architectural corbels. English, Circa 1855.
