A HIGHLY DECORATIVE WINE COOLER IN THE GRAECO-ROMAN TASTE

Ht: 25.5 in / 65 cm | Dia: 24.5 in / 62 cm

Of cylindrical form, constructed in well figured oak, supported by tripartite feet, of complex winged foot form, with brass castors under: the body with a lobed lower rim, with a running anthemion design over, and surmounted by a pattern of running studded bosses in the upper reserve. The hinged cover with a carved Greek key motif, further further anthemions above, and capped with a lotus bud finial. The interior is now baize lined. The four lever lock indistinctly marked, and having an old storage label below. English, Circa 1850.
