## A FINE PAIR OF PEDESTAL DESKS IN THE REGENCY MANNER

---

H: 32.5 in / 82 cm | W: 60 in / 153 cm | D: 35 in / 89 cm

Constructed in gonzalo alves, with gilt bronze mounts and giltwood highlights; of freestanding form, with very gentle inverted breakfront plinths, each pedestal housing three cedar lined quadrant moulded drawers, with faux drawers to the apron, mounted with high quality laurel wreath model handles, the apron dressed with Graeco-Roman paterae at the upper quadrants and stiles; the sides having fielded panels with gilt enhancements. The tops fitted with inset tooled leather writing surfaces.

Circa 1910
