‘Summer Reflections’ Painting by William Stephen Coleman

Depicts two young girls sitting and playing in the water of a lily pond in a garden at a villa, against a landscape background of a coastal city. Possibly located on the Mediterranean Sea. Oil on canvas, signed Lower Left, bearing a Frost and Reed label to the reverse for April 1939

Literature:

William Stephen Coleman (English, 1829-1904)

Book and magazine illustrator, providing the iconic 1893 image 'Goldfish' for Pears magazine; the Victoria & Albert Museum, and the Glasgow Museum possess his works.
