A MARQUETRY SIDE CABINET IN THE HEPPLEWHITE MANNER

Ht: 39 in / 98.5 cm | W: 46 in / 117 cm | D: 19.5 in / 49 cm

Constructed in goncalo alves, with satinwood cross banding and specimen woods used in the inlays; of serpentine form, rising from spade footed tapered legs, the swept ends framing the two central and lockable doors, which are profusely decorated with neo-classical designs in a finely executed marquetry; three drawers in the frieze, and a fine marquetry surface to the platform.
