A Very Fine & Rare Viennese Bronze Musical Box Table Lamp Of an Erotic Nature By Franz Bergman

The cold painted bronze depicting a closed tent, has button released double doors, one with a smirking cupid, opening to reveal a young blood ardently courting a not unwilling déshabillé female comfortably draped on a chaise longue, set in a room decorated in the Louis XVI manner; the music box is key operated. Signed to the reverse, 'Namgreb', the inversion of 'Bergman'. Austrian, Circa 1900
