A SET OF EIGHT SIDE CHAIRS IN THE GEORGIAN GOTHICK MANNER

H: 37.5 in / 95 cm | W: 22.5 in / 57 cm | D: 21.5 in / 54 cm

Constructed in mahogany, which has been precisely carved; rising from square form blind fret carved chamfered legs and pierced stretchers; the fretwork seat rails house drop in upholstered seats; the swept uprights supporting shaped top rails with leaf carved ears, and having complexly carved and pierced central splats. Seven of the chairs bearing a label 'Frank Partridge, Works of Art, 26 King Street, St. James, and New York'. Circa 1860
