A PAIR OF GEORGIAN SIDE CUPBOARDS

H: 34 in / 86.5 cm | W: 17.5 in / 44 cm | D: 15 in / 37 cm

Constructed in Cuban mahogany of excellent density and colour; of true 'left and right' form, the platforms having thumbnail mouldings, below, stop-fluted friezes, and the fielded panel doors with carved elliptical central medallions of radial petals, with circular paterae at the angles.

Circa 1820
