A VERNIS MARTIN CABINET IN THE LOUIS XVI MANNER

H: 71.5 in / 181 cm | W: 26 in / 66 cm | D: 17.5 in / 44 cm

Constructed in mahogany, with extensive ormolu mounts; the square rectangular tapering legs, dressed with brass mounts frame the three quarter ormolu galleried lower tier, and a panelled back support the upper cabinet; an oak lined drawer to the lower part, with, over, a door painted in the Vernis Martin manner within a shaped shield form cartouche, with attendant foliates, formed by a fine ormolu frame, enclosed within ormolu mounted Corinthian columns; an ormolu three quarter balustraded gallery to the surmount.

French, Circa 1890
