Constructed in kingwood with tulipwood cross banding, dressed with gilt bronze mounts, polychrome paintwork and Marseilles Rose marble; of bombe form, rising from gilt bronze sabot shod swept legs, the hinged and lockable cupboards framed within rococo bronze giltwork, are painted with putti, in the manner of Bougereau, and enclose shelved interiors, with conforming cartouches over; the sides are quarter veneered, and surmounted with marble platforms with three quarter balustraded galleries. French, Circa 1880
