A CARVED OAK BAROMETER

H: 52 in / 132 cm | W: 19 in / 48.5 cm

The barometer, of aneroid type, signed by the maker. and having a thermometer above is housed within an extensively carved 'banjo' form case, incorporating fruits and foliates, with a bust of a hatted man from the Troubadour period. Inscribed on the silvered dial 'Manufacturers to Her Majesty's Government' and by the maker 'E Cetti of Brook Street, 11 & 31 Brook Street, Holborn, London'.

Circa 1890
