## A REGENCY DOUBLE SIDED BOOKCASE

---

H: 39 in / 98 cm | W: 33.5 in / 85 cm | D: 15 in / 37 cm

Constructed in mahogany, with brass adornments; of freestanding form, rising from castor shod 'cotton reel' legs, with fluted columns at the angles, each side housing three shelves, and large circular lion's head mask ring pull patinated bronze handles to the sides which are line inlaid, with the demi-lune everted angle platform dressed with a running arcaded pierced brass gallery.

Circa 1810
