A Fine Centre Table Firmly Attributed to Holland and Sons

Of free standing rectangular form, constructed in the manner of the Anglicised Louis XVI taste, using Circassian book matched walnut, tulipwoods, green-stained Sycamore and adorned with fine quality marquetry work, ormolu mounts and a Sevres plaque; rising from tapering legs adorned with ormolu foliate cast sabots, paterae and swags, two drawers in the frieze, interspersed with a Bleu Celeste 'Sevres' plaque painted with putti, with faux counterparts to the obverse, the top with splendid book matched veneers, enclosed within a green stained border, with penwork type engraving in the guard band.
Circa 1860
