A MARBLE AND BRONZE NEO-CLASSICAL PORTRAIT OF KING LOUIS XVI

H: 41.5 in / 105 cm | W: 31 in / 79 cm

A Neo-Classical Portrait of King Louis XVI

Housed within an exuberantly carved giltwood frame of elliptical form, the conformingly shaped Cararra marble plaque is mounted with the right profile view of the subject, in a patinated bronze, his hair in a chignon.

French, Circa 1880
