Ht: 16 in / 40 cm | Dia: 9 in / 22 cm

A Fine Pair of Urns in the Louis XVI Manner

Carved from Egyptian Alabaster Rosso and dressed with gilt-bronze mounts, rising from incurved square stepped bases, the twin-handled ovoid bodies supported by waisted socles and flanked by bearded male masks issuing stylised laurel garlands, capped with circular lids having gilt-bronze finials.

French, circa 1870
