A LARGE CASKET OF THE NAPOLEON III PERIOD IN THE 'BOULLE' MANNER

H: 20.5 in / 52 cm | W: 30 in / 75 cm | D: 23 in / 58 cm

A Large Casket of the Napoleon III Period

in the 'Bouille' Manner

Constructed in Bois Noir, finely cast ormolu and panels in the Bouille manner; rising from scrolled ormolu feet, the rectangular form base having bombe Bouille sides, incorporating the lockplate, with putti at the angles, all within an ormolu framework; the hinged caddy form top draped with swags has a Bouillework platform with two putti atop; with a lined interior.

French, Circa 1870
