## A FASCINATING PAIR OF GIRANDOLES

---

H: 18 in / 45 cm | W: 14.5 in / 36 cm

### A Fascinating Pair of Girandoles

Variouly constructed in gilt and silvered brass, the oval mirror plates are housed within rectangular frames having canted corners. The rectilinear border profusely decorated with silvered filigree in a raised rinceau pattern incorporating geometric copper flowers. The corners decorated in a conforming technique and embellished with protruding gilt relief ornament. The lower section issuing three branches, with brass accents and drip cups.

Continental, circa 1880
