A PAIR OF NEO-CLASSICAL GILTWOOD JARDINIÈRES

H: 29 in / 73 cm | W: 37.5 in / 95 cm | D: 17.5 in / 44 cm

A Pair of Neo-Classical

Giltwood Jardinières

Carved with refined detail and finished with gold leaf water-gilding, the fluted tapering legs joined together with a beaded H-stretcher, the acanthus-carved capitals supporting the zinc-lined jardinières dressed with floral swags to the side.

English, Circa 1870
