A LIFE-SIZED BLACK FOREST CARVED HUNTING DOG

Dimensions: H: 28.5 in / 72.5cm | L: 49.5 in / 125.5 cm | W: 18 in / 45.5 cm

Carved from lindenwood, the sculpture depicting a setter dog in their typical 'pointing' stance supported on a naturally carved rectangular plinth with foliage and flora, the canine's fur flowing in the wind and with glass-inset eyes intensely focused on the prey; the carved collar inscribed "Nägler aus Gera," and also bearing a Berchtesgaden inscription to the base.

Brienz, dated 1883
