A Fine Marquetry Inlaid Mirror
Probably designed by Owen Jones
Attributed to Jackson & Graham

A stunning mirror, beautifully made, with a striking design consisting of many precious specimen materials and rare woods. The mirrored plate with gilt moulding and a rectangular frame having everted corners and domed to the top and bottom; inlaid with geometric floral patterns throughout on a palmwood ground, interspersed with fields of thuya, all accentuated with stringing and crossbanding; and an oval cartouche bearing the monogram "R.R." at the apex.
English, circa 1865
