A Pair of Louis XVI Style
Giltwood Console Tables

After the design of Georges Jacob

Each table of carved wood and gilt, with a thumbnail-moulded reverse breakfront carrara marble top above a frieze with entre-lacs relief, on scrolled stop-fluted volute supports carved with foliage and terminating in acanthus, joined by a piastres carved stretcher with laurel twin-handled urn finial, on lions paw feet.

French, circa 1880
