An Empire Style Ormolu-Mounted Amboyna Secrétaire

Constructed using very fine and costly amboyna, bookmatched and quarter-veneered to great artistic effect on all sides, the secrétaire decorated with firegilded ormolu mounts in the [Empire style](#), the top section having retractable double doors flanked by twin columns to either side, the interior veneered in bois citronnier, with one central drawer beneath centred by an [ormolu](#) swan escutcheon, opening to reveal a retractable leather writing slide, flanked by pilasters mounted with anthemion, the lower section enclosing an arrangement of three drawers, raised on bracket feet to the rear and oblate bun feet to the front.

French, circa 1875
