A Very Fine Writing Table  
In the Louis XVI Style

Of exceptional quality, utilising beautifully grained woods, including Circassian [walnut](#), thuya, purple heart and boxwood in the construction, and dressed with ormolu mounts; rising on four tapering turned bellflower-inlaid fluted legs, conjoined by a shaped 'X' form thuyawood stretcher; the frieze of conforming thuya-veneers with boxwood stringing and amaranth crossbanding, enclosing a single lockable drawer; the shaped serpentine top similarly with purpleheart crossbanding around an ebony-ground reserve inlaid with stylized Greek anthemias, a central [marquetry](#) musical trophy against a stunning bookmatched circassian burr walnut.

French, Circa 1860
